- Net Cash of $6.1 million

Management Commentary

"Topline revenue increased 5% for the period ended September 30, as compared to the three months ended September 30, 2025. Additionally, for the nine months ended September 30 topline revenue grew 9%, as compared to the same period in 2025," commented David Houston, Chief Financial Officer of LiveWorld. "During the third quarter, we increased our investment in LiveInsight AI™, which raised operating costs compared with 2025. As we move through the fourth quarter of 2026, we expect to accelerate our investment in the development and marketing of LiveInsight AI, which will continue to affect LiveWorld's operating results for the foreseeable future.

"Our category leading LiveInsight AI Intelligence Systems empowers pharma marketers to make better decisions faster, through a continuous model of discovery analysis, and decision making," said Peter Friedman, Chairman and CEO. "With 16 patents pending, including 48 hallucination prevention mechanisms, LiveInsight AI provides unparalleled levels of quality, precision, relevance, and trusted results."

Financial Review for the Three and Nine Months Ended September 30, 2026

Total revenues for the three months ended September 30, 2026 were approximately $3.0 million, as compared to approximately $2.8 million for the three months ended September 30, 2025. This was an increase of approximately $134,000 or 5% period-over-period.

Total revenues for the nine months ended September 30, 2026 were approximately $8.8 million, as compared to approximately $8.1 million for the nine months ended September 30, 2025. This was an increase of approximately $739,000 or 9% period-over-period.

The company reported a net loss for the three months of approximately $413,000 or 14% of total revenues. This compares to net income of approximately $195,000 or 7% of total revenues reported for the three months of 2025. This was a decrease of approximately 311% when comparing the two periods.

The company reported a net loss for the nine months of approximately $703,000 or 8% of total revenues. This compares to net loss of approximately $172,000 or 2% of total revenues reported

for the three months of 2025. This was an increase of approximately 308% when comparing the two periods.

The company finished the quarter with approximately $6.6 million in cash and cash equivalents, compared to approximately $7.3 million at the end of 2025. The net cash available for operations was approximately $6.1 million at the end of September 30, 2026, compared to $5.7 million at the end of 2025. The company defines net cash available for operations as cash, less media expenditure commitments.
